Stepping inside through the front door, you are welcomed by a spacious entrance hall, with a storage cupboard housing the home's boiler. The lounge sits to the front, a light-filled room featuring a wide bay window and a central fireplace that creates a warm focal point. Generous proportions allow for flexible furnishing, and this inviting room links directly to the dining area, a comfortable setting for everyday meals or family gatherings, where carpeted flooring adds to the homely feel.

The conservatory is accessed from the dining area, extending the living accommodation with tiled flooring, views across the garden, and French doors opening outside. Sliding doors connect the dining space to the neatly fitted kitchen, arranged with a range of wall and base units, good counter space, tiled splashbacks, and practical tiled flooring. Plumbing is in place for a washing machine, a pantry cupboard provides useful storage, and there is space for both dining and a freestanding cooker, with an additional door giving direct access outdoors.

The property also benefits from a separate utility room, generous in size and fitted with matching units and additional worktop space, complete with tiled flooring and its own access to both the garden and the garage.

Three well-proportioned bedrooms complete the accommodation. Two are comfortable doubles with built-in wardrobes, while the third, also with fitted storage, can serve as a single bedroom, study, or hobby room. All bedrooms enjoy natural light and are finished with carpet flooring. Serving the bedrooms is the family shower room, fully tiled and updated in 2017, designed with a modern walk-in glass enclosure.
