On arrival, the entrance hall sets a welcoming tone with light décor and tiled flooring, softened by recessed lighting and panelled wall detailing that adds subtle character. A staircase leads to the upper floor, and a modern WC is tucked just off the hall, fitted with contemporary tiling, a chrome towel rail, a pedestal basin, and a WC for convenience.

From here, the lounge opens into a bright and stylish space, where white walls maximise natural light from the wide front window. A striking media wall with an inset electric fireplace forms a sleek focal point against the feature wall, complemented by polished wooden flooring underfoot and a statement chandelier that draws the room together with a touch of elegance. The effect is fresh and inviting, making it a perfect setting for both relaxation and entertaining.

The showpiece of this home is the exceptional open-plan kitchen and dining area, finished to an outstanding specification. Sleek white cabinetry is paired with a white Silestone countertop, creating a refined contemporary aesthetic, while tiled flooring extends across the kitchen for a polished and practical finish. Integrated appliances include a double oven, five-burner hob with extractor, fridge freezer, dishwasher, and washing machine, all thoughtfully designed for modern living.
