Step inside through the entrance hall, where tiled flooring sets a smart first impression, with stairs rising to the first floor and doors leading into the main reception areas. The lounge is generously proportioned and finished in a bright, neutral palette with fresh white walls and soft beige carpet underfoot. A large bay window frames views to the front and floods the room with natural light, while a traditional fireplace with ornate surround and marble-effect inset fitted with a gas fire creates a natural focal point. Two ceiling light fittings and a subtly textured ceiling complete the refined finish.

A door connects through to the dining room, a clean and versatile space with sliding glass doors opening directly onto the rear garden. Well-proportioned, this room is ideal for formal dining yet flexible enough to serve as a fifth bedroom, home office or snug. From here, the layout flows to the kitchen, which is neatly presented with a series of fitted wall and floor units, rolled-edge work surfaces and tiled splashbacks. A stainless steel sink is set beneath a wide window overlooking the garden, with space for a freestanding cooker, fridge and other appliances. A handy pantry offers additional storage, and a breakfast bar to one side provides a casual dining spot. From here, a personal door leads into the integral garage, while another opens to the adjoining utility room.

The utility offers further worktop space, storage cupboards and a second sink, with plumbing in place for laundry appliances. The wall-mounted boiler is housed here, and a side window, together with an external door, provides light and direct access to the garden. Large tiled flooring runs through both the kitchen and utility, ensuring practicality and durability. A downstairs WC adds further convenience.

Two of the rooms are comfortable doubles, including the master, which stands out with its own en suite shower room. The en suite is appointed with a pedestal basin, close-coupled WC and fully tiled shower cubicle, complemented by light wall tiles, a wall-mounted mirror and a frosted window.

The remaining bedrooms are bright and neatly finished, all with fitted carpet flooring. Serving these rooms is the family bathroom, fitted with a three-piece suite comprising a panelled bath with handheld shower attachment, pedestal basin and WC. Neutral tiling, a frosted window and wood-effect flooring give the room a clean and functional feel. Additionally, the property is clean and well decorated, featuring new carpets throughout and the benefit of double glazing.

To the rear, the garden is fully enclosed for privacy and security, laid mainly to lawn with mature shrub borders. A paved patio extends from the house to provide an inviting space for outdoor dining or relaxation, while a storage shed and garden store box add practicality. Side access leads conveniently back to the front, making the garden both functional and family-friendly. A brickweave and shingle driveway offers off-road parking and access to the integral garage.
