The Location

Nestled in the picturesque Norfolk countryside, the village of Buxton offers a peaceful and community-focused lifestyle, while remaining conveniently connected to surrounding towns and transport links. Located just north of Norwich, the village is set along the banks of the River Bure, offering scenic views, countryside walks, and access to the Bure Valley Railway—a charming narrow-gauge steam railway that links Buxton with Aylsham and Wroxham.

Buxton itself enjoys a welcoming, village feel with essential amenities such as a local primary school, pub, village hall, shop, and post office, while the neighbouring riverside village of Coltishall provides further conveniences including shops, cafés, and well-regarded eateries. For more comprehensive services, the historic market town of Aylsham is just a short drive away, offering a variety of supermarkets, independent retailers, medical facilities, and both primary and secondary schooling options.

The area is popular with those seeking a slower pace of life while still being within easy reach of Norwich city centre, which lies around 25 minutes away by car and provides a mainline rail link to London Liverpool Street. With its combination of rural charm, riverside walks, and access to the beauty of the Norfolk Broads, Buxton is an ideal setting for families, professionals, or those looking to retire to the countryside without sacrificing everyday convenience.
