Internal accommodation briefly comprises: a deceptively spacious and beautifully presented four bedroom semi detached cottage, positioned in a non estate setting and refurbished throughout to a high standard, creating a home that feels polished, comfortable and ready for immediate occupation.

The ground floor opens into a generous lounge where a wood burning stove forms a clear focal point, giving the room a warm and inviting feel that works equally well for everyday living or hosting. From here, the layout flows into a striking open plan kitchen and dining space, centred around a well designed island that provides both preparation space and a natural gathering point. Fitted cabinetry and integrated appliances are arranged with everyday practicality in mind, while wide openings lead directly into the conservatory. This space enjoys pleasant views over the rear garden and allows natural light to move freely through the ground floor, strengthening the connection between inside and out. A separate utility room sits just off the kitchen, offering additional storage and laundry space, alongside a ground floor WC for added convenience.

Upstairs, the first floor provides four well proportioned bedrooms, all presented in a consistent and tasteful style, allowing flexibility for family use, guests or home working. The principal bedroom benefits from its own en suite shower room, finished with modern fittings, while the remaining bedrooms are served by a recently fitted family bathroom completed to a high standard.
